

SRI BHAGAWAN MAHAVEER JAIN EVENING COLLEGE

Affiliated to Bengaluru City University

Faculty Development Program on National Education Policy 2020 - Teaching and Evaluation for B. Com Programs

In connection with announcement of National Education Policy and its implementation in Bangalore City University, a webinar was conducted to train teachers on teaching and evaluation for B. Com courses. The FDP (Faculty Development Program) was held on 27th August 2021 at 05:30 P.M. and was led by Principal Dr. KM Mahesh.

Under NEP, the semesters are extended from six semesters to 8 semesters. This opens up various avenues of opportunities for the teachers. The session also discussed the establishment of more evening colleges in Karnataka that offers choices for teachers and encouraged the teaching fraternity to be receptive to changes. The pedagogy put forward by the NEP is the L+T+P model (Lecture, Tutorial, and Practical). The credits are measured where one hour of lecture equals one credit, and one hour of tutorial equals one credit. And two hours of practical equals one credit. The meeting also explained the various categories of courses offered under NEP.
