

Strengths	Weakness
<ol style="list-style-type: none"> Leadership is dynamic and Management is participative Highly qualified, experienced and motivated members of faculty. College located in the city Tests and examinations are conducted meticulously including retests to absentees(practice papers) Scholarship for meritorious students and fee installments for needy. Flexible timings for students pursuing professional courses during the day time. Value based education with emphasis on women empowerment and respect to our culture, heritage. Well-equipped e- Library with CD's, VCD's for students and staff. Invite guest speakers more often to kindle interest among the students. A well-defined student admission policy. Dedicated and experienced supporting and administrative staff. Ample scope for student progression (CA, CS, CMA, M.COM and MBA). 	<ol style="list-style-type: none"> Lack of collaboration due to time constraint in the evening college timing. Aspiring to open post-graduation research center and value added programs. The alumni participation is limited. The availability of funds is limited in certain cases. Mobilization of funds and resources are restricted due to limited revenue generation through only the prescribed fee collection.
Opportunities	Challenges
<ol style="list-style-type: none"> Starting of new generation and industry-oriented courses. Placement cell can extend its activities to training also. Utilizing the geographical location to develop new program opportunities. Possibility of enhancing courses and seats. Courses in online – Taxation laws, travel and tourism, computerized accounting, marketing can be conducted. 	<ol style="list-style-type: none"> Establishing the language laboratory. Establishing collaborations with reputed centers in the said subjects. Fulfilling sanctioned intake of students. Increase in competition from neighboring colleges. To increase ICT in teaching learning process.
Achievements	
<ol style="list-style-type: none"> Many students have received ranks in university exams. Many students have been successfully placed across prestigious companies. Have conducted many blood donation camps under the able guidance of Rotaract club. Many students have won awards in the various intercollegiate completions. Have collected relief material for flood affected people from time to time.
