

LUDO Tournament

The Rotaract Club of JEC conducted an Intra-Club LUDO tournament on April 08, 2020(Tuesday). This was our first online tournament during the quarantine. We conducted this event to keep people occupied with something other than boredom.

We had 16 participants. It was a group stage tournament followed by the quarters, semis and finals. Each group had 4 players. They played a match and the top two qualified.

The funds collected from this tournament will be donated to Jan Ahar. We thank all the participants for their participation and hope they had a good time.

Glimpse of the Event
