

# PUBG

The Rotaract Club of JEC conducted a PUBG tournament on 23 April, 2020 (Thursday). People were in boredom, so to overcome that and bring back the trend, we conducted this event. We also wanted to raise some funds to donate to Jan Ahar i.e an initiative taken by Rotaract Club of Koramangala to help the weekly wage workers.

We had 32 participants of teams of 4. They all played at once and the winner of that match was considered the winner. The winner was awarded with a cash price of Rs.200 and the runners up was awarded with Rs. 160.

We would like to thank all the participants for participating in this event. Let's bring back the trend.

## Glimpse of the Event
