

Rotaract Club of SBMJEC – January 2020 Reports

New Year's Food Drive 2.0

The Rotaract Club of SBMJEC conducted a New Year Food drive on January 01,2020 from 7 am.

The same day, last year we brought happiness on some people's faces by distributing food to whom a New Year's Day would not make such difference. This year, we did the same and we did it better.

A big thanks to all our friends and family who donated to make this event a better one. Thanks to their donations, we were able to expand the area and donate to more number of people and this made it successful and special.

A special thanks to M S Jaswanth who gave his contribution in the form of food packets.

Without our members, we couldn't have expanded the event to such an extent.
