## PETS and SETS

The Rotaract Club of 3190 conducted a training program "PETS and SETS" for President and Secretary elect on June 29, 2019 at SSMRV college from 1:30 pm onwards.

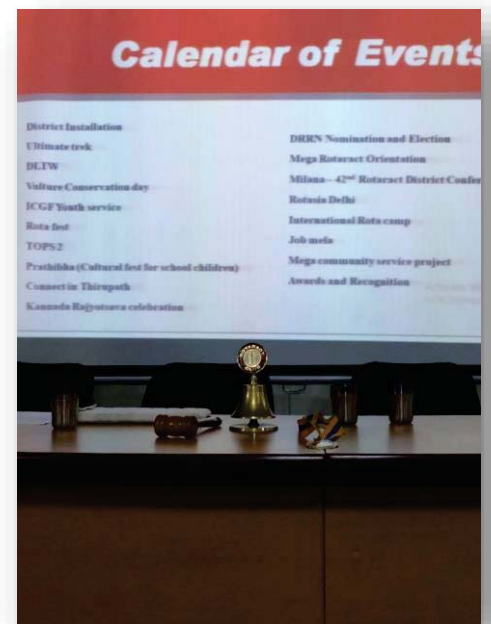

This was an initiative to provide a platform for the future leaders of the Rotaract Clubs of RID 3190 to give insights on the learnings, thoughts and challenges of past leaders and experienced professionals.

There were talks from Retractors and Rotarians like RTR. Naveen, RTR. Sunil, RTR. Shashi Kumar, RTR. Arun Teja and a few others.

We would like to thank Rotaract 3190 for taking this initiative to give us their valuable insights.

### Success Story:

We learnt a lot of things from this session. We were given a picture of what Rotaract is all about and how it works. We learnt that our theme for this year is "Serve to achieve" and the focus areas. We learnt about the district dues, when to file the report and where to report them.

## Rotaract Shikshana

The Rotaract club of Koramangala conducted a workshop called "Rotaract Shikshana" on 21 July, 2019(Sunday) at 1 pm. The venue for this workshop was the Rotary House of Friendship.

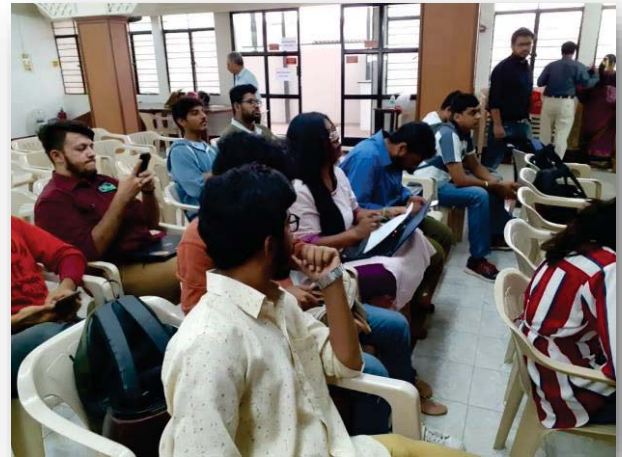

The event started off with the completion of RI Citation application of your club for [2018-19](#), continued with the overview of RI Citation [2019-20](#) and ended with the Rotaract constitution and bylaws preparation for your club.

We would like to thank the Rotaract club of Koramangala for the invite.

### Success Story:

We understood about what the president citation is all about and how and where to fill it.

This quick gathering helped us to keep in mind a few points that we need to full fill during our events in order to achieve the RI Citation. It also helped the previous year president of other clubs to fill their forms in which we did not take part.

### Project Assam

The Rotaract Club of Bangalore Southwest organised a project called "Project Assam" in association with Assam Society of Bangalore and Sahai Foundation.

The main aim of this project was to collect and donate as many basic things like soaps, toothbrush, towels, clothes etc. for the flood affected people in Assam.

Our club donated clothes, biscuits, blankets, soaps, toothpaste and brushes to Minova Life Sciences Private Ltd, Shankarpuram on 23 July, 2019(Tuesday). We would like to thank the Rotaract Club of Bangalore Southwest for giving us an opportunity to serve for such a humanitarian purpose.

This project was not only participated by Rotaractors but also other students. Many students donated a few things, not only in kind but cash also. The students were happy to know that Rotaract club is involved in such projects too.
