

## **RYLA**

The Rotaract Club of JEC participated in an event called RYLA, a training program conducted by the Rotaract Club of Bangalore Seshadripuram in association with Rotary District RYLA Committee on April 21 and April 22, 2020(

The trainers of the session were Rt. Ananth Bhata, Rtr. Meerabai Shankar and her team, and many more. They told us how we could make use of this free time and educate others and help them.

The program's main focus is to help government school children of classes 8,9 and 10<sup>th</sup> with their subjects in English mixed with your regional language and teach and train them. A person who has a proper mind, set for service, who has some skills can start this initiative. Most importantly, we were told to build commitment that we can do it, get the required training, practise and teach.

This was a very informative session and went on really well. We would like to thank the district for giving us an opportunity to be part of such an event.

### What does this achieve ?

- Plant a thought "They too can dream to achieve"
- Take ownership of same
- Some skills to set them going
- Improves "conditioning" that drives rest of personality aspects
