

Snake and Ladder Tournament

The Rotaract Club of JEC conducted a snake and Ladder tournament for all on 10 April, 2020 (Friday). It was a tournament conducted to recall our childhood memories by playing a game of dice. The funds collected from this event were planned to donate it to Jan Ahar i.e an event conducted by the Rotaract Club of Koramangala to raise funds and donate money to the wage workers who are having a bit of a trouble during this time.

We had 20 participants. It was a group stage tournament followed by the quarters, semis and finals. Each group had 4 players. They played against each other and the top two in the group were qualified.

The winner was awarded Rs.100, runners-up Rs. 50 and third place Rs. 25. They were doing some social service while having a good time for their own.

We got a good feedback from the participants and would like to thank them for their contribution by participating.
