

Effective Waste Management

The Rotaract Club of JEC participated in an interactive session with Dr. Meenakshi Bharath on April 08,2020 (Wednesday) on a Zoom Meeting. The topic of the meeting was Effective Waste Management.

The speaker spoke about how to not buy excess food and keep unnecessarily stock of foods and conserve only what is necessary. The speaker also spoke about segregating the dry waste from the wet waste and not neglect it in times like these.

The speaker also spoke about female sanitary pad management and how to better dispose it.

We would like to thank the district for giving us an opportunity to be a part of this conversation.
