## About College

Jain Evening College is one of the top educational institutions in Bangalore, offering evening courses at the Pre-University, Undergraduate, and Postgraduate levels. Established in 1999 with the aim of imparting higher education, Jain Evening College has maintained an unbeaten record of achievements in both academics and sports.

A flagship institute of the JGI Group, Jain Evening College offers courses for PUC students and those interested in pursuing B.Com, BBA and BCA programs in the fields of Commerce, Business Administration, and HR and Marketing Management. The college primarily caters to working adults, professionals, and individuals who are unable to attend regular classes due to their work schedules and internships during the daytime.

Jain Evening College offers relevant programs along with innovative teaching and learning strategies for the working population and adult learners by collaborating with the faculty members of Jain College. Each year, with an increase in student intake, educational opportunities expand, allowing the Evening College to continue contributing significantly to national and international development.

These accredited programs are diverse and highly relevant in today's dynamic world. Jain Evening College provides an excellent opportunity for prospective and current students to pursue certificates, diplomas, and degrees while earning a living. With programs tailored to meet the needs of the corporate world, the Evening College creates a pathway for modern professionals to achieve their personal goals while enhancing their value as employees.

## Vision

JEC strives to focus on the holistic development of the students.

## Mission

- To provide quality education to develop a strong nation with a professional outlook.
- To create a globally networked community of entrepreneurs, professionals, sports persons, and artist
- To foster an ethical environment based on human values.
